

A large, brown, trapezoidal shape representing a book cover or endpaper, with a yellow binding strip along the bottom edge. The brown area has a subtle, wavy texture. The yellow strip at the bottom features several small, dark, U-shaped marks, possibly representing staples or binding details.

Technical drawing of a wooden beam cross-section. The beam has a total width of 550 mm and a height of 20 mm. It features a central slot with a depth of 7 mm and a width of 6 mm. The beam is composed of several sections joined by dovetail joints. The top surface is labeled "Rillad yta" (Grooved surface) and the bottom surface is labeled "Hyvlad eller rillad yta" (Planed or grooved surface). The end of the beam shows a radius R2 and a thickness of 6,5 mm. A dimension of 11 mm is indicated at the right end.
