

Test Verification of Conformity

On the basis of the referenced test report(s), sample(s) of the below product have been found to comply with the harmonized standards and Regulations or Directives listed on this verification at the time the tests were carried out. Other standards and Regulations or Directives may be relevant to the product.

Once all product relevant  mark regulations or directives are verified in compliance, the manufacturer may indicate compliance by signing a Declaration of Performance(DoP) themselves and applying the mark to product identical to the test sample(s) if the product complies with all relevant CE mark regulations or Directives requirements.
