Rotary Topspinner, 50 metre with Metal Ground Spike, 45mm diameter

Article information

Article number 29 03 43
Article colour Anthracite
Article weight 5939 g

Materials

	Good renewable/ Recycled %	Material health code
Zinc plated steel	4017.54 g 40.00	C
Aluminium	1155.35 g 50.00	A
Plastics PVC	215.00 g -	X
Plastics PP	193.09 g -	B
Coil coating	148.80 g -	X
Plastics Polyester	107.50 g -	B
Plastics recycled PP (post-industrial)	50.00 g 97.00	B
Plastics EVA	30.59 g -	C
Plastics PA	16.86 g -	C
Brass	3.97 g 95.00	B
Stainless steel AISI 304	0.57 g 60.00	B

Material

CO2 emissions 150.0 kg
Energy used 2000 MJ
Air acidification 803 g SO2
Water pollution 34.0 g PO4

Factory

CO2 emissions 24.0 kg
Energy used 370 MJ
Air acidification 132 g SO2
Water pollution 5.3 g PO4
Region Europe
Made in Latvia

Transport

CO2 emissions 3.3 kg
Energy used 48 MJ
Air acidification 15 g SO2
Water pollution 3.4 g PO4
Transport score 2

Use

CO2 emissions - kg
Energy used - MJ
Air acidification - g SO2
Water pollution - g PO4
Region Europe
Warranty period 5 years
Household score 3
RepairScore

Recycle

Multiple reuse 87.17 %
Reuse 4.09 %
Downgrading 0.80 %
Thermal 7.94 %
Landfill -

Recycled/Good
renewable material
