- Solar charged • Turns on automatically when darkness falls • 5-year LED guarantee
- Durable material that is well-suited for harsh weather • 15-year guarantee on surface deterioration

Temple is a portable, solar powered lamp by Danish design duo Says Who that balances elements from the classic lantern with a modern, streamlined design. Temple is the perfect light for your garden, terrace or balcony as it turns on automatically when darkness falls and provides a cosy, yet practical light.

Brass is a sturdy and weather-resistant material, making the lamp suitable for harsh coastal areas. Over time, brass takes on a darker patina, which results in a beautiful brownish colour.
