• 3-step Moodmaker™ dimming by using your regular wall switch • Night light • Suitable for the bathroom (IP44)

• Extra lid for mounting on hook included (IP20) • Easy installation • 5-year LED guarantee

Landon is a series of surface mounted downlights with a built-in Moodmaker™ functionality that dims the light in the inner and outer light ring in three different steps. The third step enables a dim night light that is perfect for illuminating the bathroom during the night. High IP protection (IP44) makes this downlight suitable for humid areas, such as the bathroom.
