Implemented system	Traceability, Art. 17, L 1935/2004	GMP, L 2023/2006
	☐ Yes ☐ No	☐ Yes ☐ No

Noipack Oy declares that the article meets the requirements of:

- Article 3, 11(5), 15 and 17 of Regulation (EC) No 1935/2004 (Framework regulation)
- EU Regulation 2023/2006/EC (GMP)
- Article 5 of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR) regarding the restriction of per- and polyfluoroalkyl substances (PFAS).

Area of use

Based on the migration tests and Declaration of Compliance in Noipack's possession, the articles can be used safely with all types of foodstuffs, serving cold and hot. Due to the material properties its resistance to grease and moisture is decreased and intended only for a short term usage. For dry foods, items can be used for extended periods.

The articles can be used in refrigerator and freezing but due to material properties the condensation may weaken the material so long-term usage is not recommended.

The items can be used in the microwave for a short reheating of the food at max 600W for 3min.

Items cannot be used in a conventional oven.

Please be advised that No PFAS are intentionally added into items.

This document of compliance is based on:

- Documentation from supplier
- Test reports
